# BEECHCRAFT KING AIR 250

The Beechcraft® King Air® 250 is more than just the latest evolution of a business icon. It fuses the best attributes of a legendary aircraft with leading enhancements in cockpit technology, performance and comfort to continue its reign as the business turboprop of choice.

- **Featuring Pro Line Fusion™ avionics – an intuitive, icon-based, touch screen flight deck.**
- **Conquer more missions with the Enhanced Payload Option and depart with five passengers and full fuel.**
- **Class-leading performance on short runways provides access to more airports.**
- **Rest assured you are always supported by the industry’s largest service network.**
