In a category all its own, the BEECHCRAFT BONANZA G36 aircraft is a unique combination of high performance, functionality and class. Hailing from a long and prestigious flying pedigree, this stylish and powerful aircraft is backed by years of proven aviation expertise and excellence. Continued refinement and improvements have allowed the Bonanza G36 piston to reach new heights in comfort and capability.

Maximum Range: 920 nm
Maximum Occupants: 6
Maximum Cruise Speed: 176 ktas
Useful Load: 1,073 lb
Takeoff Ground Roll: 962 ft
POWER AND FLEXIBILITY

EXCEPTIONAL HANDLING
A flying pedigree and control feel that is special to the Bonanza aircraft.

PROVEN AIRFRAME
From treatment for increased corrosion proofing to strengthened glass, the Bonanza aircraft is designed for durability.

DEPENDABLE VISIBILITY
LED lighting provides better visibility, less drag and reduced maintenance.

EFFORTLESS LOADING
Large doors for easy passenger boarding and cargo loading.

AUTOMATIC COMFORT
Set-and-forget environmental control and standard air conditioning.

SEATING FOR SIX
Configured to your specifications with ergonomic club seating for passenger comfort.
**RUGGED LANDING GEAR**
Heavy-duty retractable landing gear and large tires allow for operations on semi-prepared surfaces.

**EASY ACCESS**
Preflight checks are simplified by large access doors to the engine on both sides, making maintenance quick and easy.

**WEATHER CAPABILITY**
An electrically heated, constant-speed propeller reduces ice.

**POWERFUL RELIABILITY**
The 300-horsepower, six-cylinder CONTINENTAL engine allows you to climb at 1,230 feet per minute (375 meters) and cruise at more than 175 knots.

**NEXT-GENERATION AVIONICS**
Garmin G1000 NXi avionics provide a brand-new cockpit interface with enhanced graphics, faster hardware, new features and optional wireless connectivity.

**INCREASED AUTOMATION AND MORE PROTECTION FEATURES**
Standard GARMIN GFC 700 digital autopilot with electronic stability and protection (ESP) and underspeed protection (USP).
COMFORT AND PRODUCTIVITY

With club seating and ample elbow room, the Bonanza G36 aircraft offers a spacious and comfortable ride for you and five of your closest friends and colleagues. The cabin has many amenities like optional leather seats, headset jacks, reading lights and climate-controlled individual air vents. The Bonanza G36 piston allows you to bring the comforts of the conference room to the sky.
The Bonanza G36 aircraft is powered by the latest technology in integrated cockpits, the Garmin G1000 NXi avionics. Managing the flight deck has never been easier with an improved graphical interface, more powerful hardware, higher-resolution displays, added functionality to improve situational awareness and optional wireless technology.

**COMMAND THE NEXT GENERATION**

**NEW FEATURES AND OPTIONS**

+ Standard ADS-B Out and In
+ Standard wireless database and flight plan loading
+ Integrated VFR sectional charts
+ IFR high and low charts with night mode
+ Enhanced HSI features
+ Digital audio panel with Bluetooth
+ Vertical situation display
+ Selectable visual approaches
+ Optional SurfaceWatch for greater situational awareness
+ Enhanced graphics and faster processing
+ Improved joystick with smoother panning
+ Simplified maintenance
SIMPLICITY AND PROTECTION

GARMIN ELECTRONIC STABILITY AND PROTECTION (ESP) AND UNDERSPEED PROTECTION (USP)

The Garmin GFC 700 autopilot features ESP and USP, providing pilots with an added measure of protection and correction. When a pilot exceeds user-selected pitch, roll or airspeed limitations, Garmin ESP and USP provide gentle movements on the flight controls to adjust the aircraft’s pitch attitude or bank angle, adding a wide range of flight regimes.

NEW SATELLITE CONNECTIVITY

The new Garmin CONNEXT Iridium satellite option allows fully integrated weather, satellite phone and text messaging during your flight. Its automatic position-reporting feature also enables friends and family to track you during your flight. A Garmin Connext subscription is required.

GARMIN ELECTRONIC STABILITY AND PROTECTION (ESP) AND UNDERSPEED PROTECTION (USP)
INDULGE YOUR APPETITE FOR ADVENTURE

Certified for utility use, the Bonanza G36 piston is a multitasker that can suit a variety of missions for up to six occupants, heavy cargo or combinations of both. Inside the cabin, enjoy the flexibility available with reconfigurable seating — the aft two seats can fold forward for easy access to your baggage compartment and fold up to provide more cabin floor space.
EXTERIOR DESIGN SELECTION

Customize your Bonanza G36 aircraft by choosing from a wide variety of paint schemes and color options to match your own unique style.
ADVENTURE AWAITS

The Bonanza G36 aircraft boasts a long list of desirable features, luxurious amenities and state-of-the-art technology, but its history of performance and popularity, being the longest produced single-engine piston aircraft of all time, are what make it the leader in its class. With more than 4,000 Model 36 Bonanza pistons built to date, this aircraft is proven, fun to fly, comfortable to ride in and flexible for any mission. It is the perfect partner for your future adventures.

Performance data is based on standard conditions with zero wind. Field performance assumes a level, hard-surface, dry runway. Range is based on a ferry mission with one pilot (170 lb) at LRC with 45 minutes reserve.
WE WORK TO KEEP YOUR WORLD MOVING

Maintaining a global fleet requires worldwide coordination and universal access to support. With you as our focus, we are fully committed to servicing your Bonanza G36 aircraft with general aviation's largest global support network. You can count on Textron Aviation to provide superior parts availability, competitive pricing and a robust distribution system. The quality support you receive is always efficient, factory-direct and available for you 24 hours a day.

HIGHLIGHTS FROM OUR SERVICE NETWORK

• Textron Aviation has a global Authorized Service Facility (ASF) network, uniquely qualified to service your piston aircraft.

• Field service representatives are equipped with extensive technical manuals and detailed vendor documentation to answer your questions.

• With an inventory of over 19 million parts, Textron Aviation has the technical support to cover your aircraft from nose to tail.

• 96% same-day fill rate on all in-stock part orders.

You can count on the industry experts to be there for the life of your aircraft.
THE WORLD’S LEADER IN GENERAL AVIATION

We advance the market by leveraging the latest technology in our Beechcraft, CESSNA and HAWKER aircraft. These cornerstone brands account for more than half of all general aviation aircraft flying today.

We have delivered more than 250,000 aircraft, exceeding 150 million flight hours in over 170 countries. With more than 12,000 employees building new products and supporting you every step of the way, we continue to provide the industry’s widest-ranging offerings and most capable service.

Our portfolio features CITATION aircraft, the world’s best-selling business jets; KING AIR and CARAVAN aircraft, both class-leading turboprops; and advanced piston aircraft for transport and efficient pilot training.
