explore more.

The Beechcraft® King Air® 360 turboprop reflects ongoing innovations built on a legacy of timeless aviation. Designed for every mission and handcrafted for any adventure. Enjoy the same great reliability and spacious, premium cabin that's come to define the King Air® turboprop family and the same support by the farthest reaching and most accessible service network.

AT EASE IN THE AIR

Cabin improvements bring both comfort and sophistication to your flight. A lower cabin altitude and stunning CoolView® windows offer a more relaxing flying experience.

MORE OPTIONS

Enhance your Beechcraft® King Air® 360 turboprop with optional Wi-Fi and five luxurious cabin interior options. Personalize the look of your aircraft with a customized paint scheme.

REDUCED PILOT WORKLOAD AND UPDATED FLIGHT DECK

Takeoff and touchdown with a suite of advanced avionics including Collins Aerospace® Pro Line Fusion®. The IS&S ThrustSense® autothrottles and upgraded digital pressurization system reduce pilot workload to better support operations. An Onboard Maintenance System (OMS) improves maintenance troubleshooting.
