

KING AIR 250

EXTREME FLEXIBILITY, ENDLESS OPPORTUNITY

Beechcraft
TEXTRON AVIATION

BEECHCRAFT KING AIR 250

The BEECHCRAFT KING AIR 250 aircraft is more than the latest evolution of an aviation icon. It continues reigning as the business turboprop of choice, fusing legendary performance with leading cockpit technology and comfort.

- Experience intuitive flight control using **COLLINS AEROSPACE PRO LINE FUSION** avionics, featuring icon-based touch screens.
- Get access to more airports with the *King Air 250* aircraft's class-leading short runway performance.
- Conquer more missions with the enhanced payload option, which lets you transport five passengers and depart with full fuel.
- Rest assured, you are supported by the farthest-reaching and most accessible service network.
